Re: Fiscal 2016 Term & Condition – NYPD School Crossing Guard Locations

Date: October 6, 2015

The New York Police Department (“NYPD”) provided the attached report on September 30, 2015 as part of the below Fiscal 2016 term and condition. The term and condition required NYPD to report the location of each school crossing guard by patrol borough and any changes to the training manual or patrol guide.

<p>New York Police Department (056) <i>Units of Appropriation [001] and [100]-PS</i></p>
<p>No later than September 30, 2015, as a condition of funds in units of appropriation 001 and 100, the Commissioner of the New York Police Department (“NYPD”) shall submit an annual report regarding the school crossing guard locations. Following consultation with the Department of Education and Department of Transportation, the NYPD’s report should include how intersections and crossing guard allocations were identified. In addition, the NYPD’s report shall detail any changes to the school crossing guard training manual and patrol guide sections related to crossing guard deployment.</p>

The attached spreadsheet will allow Council Members and staff to search locations by police precinct, patrol borough, school, and intersection.
